

Healdsburg Badminton 2024 Parent's Meeting March 1, 2024

Welcome to everyone.

I have been playing and coaching for decades. Here at Healdsburg my goal is to teach the fundamentals of the sport as part of my contributions to the Badminton community and to provide an enjoyable, competitive, and active team environment.

Attendance – The most important days are Match days, but almost as important are the previous days since that is when we prepare for matches.

Communications – I expect everyone to attend all matches and practice sessions. If you cannot I want to know in advance. This is critical on match days so that I can formulate a lineup.

Uniforms – hang dry only, do not put in clothes dryer. Customized uniforms will be available for anyone who wishes to purchase.

End of year – expect to see a team party as the season winds down. Parents and family will be welcome.

I maintain a website for the team at worldbadminton.com/healdsburg. Most anything related to the team is there, but if you have any questions feel free to contact me directly. That includes our schedule, which presently looks like:
