## BADMINTON ASSOCIATION MEETING.

The annual general meeting of the Badminton Association was held at the London V.R.B. Drill Hall, Bunhill Row, on March 27, 1903.

The accounts for the season 1902-3, showing a balance on March 21 of £22 13s. 2d. (exclusive of £14 11s. held in deposit for the tournament), were duly passed. The number of affiliated clubs was reported to be 125, as against 103 in the preceding season.

The result of the election of the committee for 1903-4 was declared as follows:—President, P. Buckley, Esq. (Guildford); hon. secretary and treasurer, G. W. Vidal, Esq. (Crystal Palace); other members: C. P. R. James, Esq. (Dundrum); S. M. Massey, Esq. (Ealing); C. Agnew Turner, Esq. (Cheltenham); Ralph Watling, Esq. (Great Yarmouth); E. Young, Esq. (Blackheath); H. L. Mellersh, Esq. (Guildford); A. D. Prebble, Esq. (Crystal Palace).

The following amendments and additions to the rules and the laws of Badminton were considered and passed:—

Rule 5.—For "Oct. 1" read "Nov. 1."

Rule 6.—Add as follows: "In the event of a vacancy occurring in the representation of the Irish Badminton Union, that body shall have power to elect a fresh representative. In the event of any other vacancy occurring, the committee shall have power to co-opt a member."

Rule 8.—Substitute for existing rule: "A balance-sheet of the accounts of the association shall be laid before the annual general meeting, and a copy, when passed, shall be forwarded to each affiliated club, together with a list of the members of the committee elected at such meeting."

New Rule.—Add between Rules 6 and 7 the following new rule: "The committee may at any time appoint and delegate powers to sub-committees for any purpose that may be desirable. The president and hon. secretary shall be *ex officio* members of all sub-committees so appointed."

Law 11.—Last word, for "taken" read "delivered." This amendment was carried subject to a proviso being added to make it clear that Law 10 (b) was not affected by this amendment.

Law 15.—Revise as follows: "The server and the player taking the service must stand within the limits of their respective courts (as bounded by the short and long service, the central and side lines) until the service is delivered."

The above amendment was carried, authority being at the same time given to the president and hon. secretary to make the necessary provision in Law 10, declaring it to be a "fault" unless the feet of the player taking the service are in his own court until the service is delivered.

A letter from "The King's" (Southport) B.C. on the subject of shuttles was referred for the early consideration of the committee.

Owing to the resignation by Mr. S. M. Massey of his office as member of the committee, Mr. R. F. St. A. St. John has since been elected to fill the vacancy.
