

VOLUNTEERS NEEDED -----

There is a local tournament next month (June 6 and 7) that needs volunteers for various simple tasks such as keeping score and calling lines. It would really help me if you can volunteer for this - and you get a free shirt for your efforts.

TEAM DINNER -----

This year's Team Dinner is WEDNESDAY MAY 20 at Finley Park. Details will be kept current at

<http://www.worldbadminton.com/elsieAllen/2015/dinner/>

This will be potluck dinner starting about 4PM and running until dusk.

Plan is to gather around 4, play volleyball, horseshoes, frisbee and whatnot, eat, and have a few speeches and some team awards then clean up and go home.

Friends and family are welcome. Please let me know (stan@worldbadminton.com) what you are planning to bring so that I can help coordinate. Ideally bring something home-cooked that you like to eat.

AFTER-SEASON BADMINTON -----

There is year-round badminton sponsored by the Santa Rosa Badminton Club. See <http://www.worldbadminton.com/srbc/>

If you would like to keep playing for fun, or to hone your skills for net year's team, or just to get exercise, this is your chance. You'll find players of all ability levels.
