Team Dinner – Potluck in the gym at 6PM

Here's your chance to introduce your parents to your teammates and to our great sport. I expect everyone to come to the potluck even if you can't make practice. I will be bringing plates and utensils. I highly encourage you players to prepare something for the event. I am also bringing extra rackets so that you can get your parents and siblings on the courts.

Weekly Challenge

Last week's was really easy and this one may be too easy also, but here goes:

$$A=45;X=(A>=45?1/\sin(A):\sin(A));\text{print}(X)$$

Next week is spring break. I'll open for practice if anyone would like to partake.

Have a good week
