

Healdsburg Badminton 2019 News Monday, 8 April 2019

Home Week

This week we are at home for both matches. Analy on Tuesday is a very strong team so will be a challenge. When we went to visit them only Ray and Rianna won their match. This time around let's see if we can do better!

We only have 6 matches left and just as in the first half we'll be playing the two strongest teams last. We'll be busing to Piner and then Maria Carillo will be coming to see us for our very last match.

Monday – practice at usual 3:30

Tuesday – leave class 3:20 for home game against Analy- help set up then warm up

Wednesday – practice 2PM

Thursday – leave class 3:20 for home game against Roseland- help set up then warm up

Friday – practice 2PM

Team Dinner

Team dinner will be directly after our last match on April 25th. Target time is 7PM. If parents can make it great, otherwise this is a potluck so plan on bringing something to share. I'll have warming trays so if you bring something hot we can keep it that way.

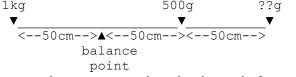

Team Pictures

Proposed time is next Wednesday April 17th directly after school. Even if you can't make practice plan on coming by in uniform since everyone needs to be in this picture. Let's use the red uniforms.

Weekly Challenge

Last week was a straight math problem and can be solved easily by graphing inequalities.

This week is a simple statics problem:

How much mass to make the beam balance?
