

Healdsburg Badminton 2022 Team Meeting 10 November 2021

Badminton Team 2022- Lunchtime, Room 48

Two major items for today:

- (1) Recruitment. The last two years have been tough for everyone and Badminton is no exception. There was no competition in 2020 and no team in 2021. While this is of course lamentable, there is one benefit in that most of our opponents this year will be at a similar level.

So if we get enough players we have every chance of doing well as a team!

Since Badminton is coed, we need both boys and girls. A minimum of 8 each will allow a team though ideally we would have at least twice that many.

- (2) Healdsburg High is putting together a group photo representing all sports. This is coordinated by Josh Cavanagh and will be held November 16 (next week). We need someone who will be on the team to attend this photo session and represent Badminton.

The best way to contact me is email. And, team information is posted on a team website so that it is always available. Badminton starts in February but it is important to be fully cleared by sometime in January.
