

# Healdsburg Badminton 2025 Team Meeting November 19, 2024

The team this year is capable of being at the top of our league. Whether this happens is up to you! If you are ready to play and work hard when the season starts we can excel.

If the prospect of a winning competitive team is not sufficient I will sweeten the pot a little:

This year rather than the usual challenge of giving my racket to someone who defeats me in singles I will raffle off my racket to a random someone on the team.

**All you have to do to enter the raffle is to be cleared by  
JANUARY 10!**

So get yourself cleared in the next couple of months and you'll be in the running for my racket.

I expect that you are aware of the new "Teamsnap" app that will be used for team communications. Many of you have accepted the invite for this, but I'd like to see all of you there as soon as possible.

Winter sports are a great way to help prepare for Badminton.

Finally, if you are planning to purchase your uniform I would suggest doing so right away so that you'll be sure to have it by the season start.

Looking forward to the coming season
