

Healdsburg Badminton 2026 Parent's Meeting February 27, 2026

The most important information this evening is that most everything involving the team is online at

worldbadminton.com/healdsburg

There you will find the complete schedule, which in short involves matches most every Tuesday and Thursday. Our matches tend to end around 7PM. For away matches we will have dinner on the way back to Healdsburg so will be back at 8 or sometimes later.

My goal as a coach is to teach enough Badminton to the players that they are comfortable playing at a reasonable level – and hopefully will stay with the sport long term.

At the same time we are a team so I will be looking to provide them with the skills needed to compete and to win. All team members will be competing and I encourage each one to give each game their best.

Uniforms and rackets are provided. Players need only bring black shorts and reasonable indoor shoes. Volleyball shoes are a great way to go since actual Badminton shoes are not available locally. Customized shirts are available for purchase if desired.

Parent volunteers would be very useful for helping run matches and for planning team dinner. Plus for other possible events.
